

HERE'S HOW TO DO IT:

- 1> Score on the dotted lines. Cut the solid lines. Fold and start gluing with tab 1 and work your way up.
- 1A> Carefully cut out grey area on inside of mouth with exacto.
- 2> Slide tabs 1 & 2 of parts 3 into the slits of part 2 to create back fin. Glue on the inside.
- 3> Fold and glue tabs 1 & 2 on Part 4, to circular top piece. Fold tab 3, insert into slits on left Part 6.
- 3A> Repeat steps for Part 5, then insert tabs into right side of Part 6.
- 4> Tabs 5 on part 6 slide into the slits on part 7. Glue on the inside.
